Guidelines:

1. A team must be made up by 2-3 riders.
2. Should more than one registered bike under a team be used, the bikes will share the race number and timing transponder.
3. During the race, no rider is allowed to ride continuously for more than 45 mins. Furthermore, riders must take a minimum of 15mins break before rejoining the race.
4. During the race, driving/pushing the motorcycle into pit box will be considered as a retirement from the race.
5. Change of Bike: rider must dismantle the timing transponder from the bike and installed properly on the other registered bike before returning to the track.
6. Refueling is allowed. Engine must be turned off and at least 1 person must be on standby with a fire extinguisher while refueling.

Technical Regulation: Please refer to Technical Regulations of ZIC Superbike Race.
